## Interview

And like may, I had to look it up, what is PJ masks? But then you see how the kids are reacting to these little superheroes which are on TV and so forth. And you know, these kids are thinking, well, I can be a superhero to and learn how to swim. Yeah, we're extremely grateful for that partnership. See you you've done your superhero thing back in back of the Sydney Olympics. That's when you did your superhero, I think but PJ masks made. I know all about it, because I do watch a lot of kids TV when I'm looking after family members and the grandkids It's just good fun. And into all of those songs. Ask me anything you want to know about blue we and I'm on top of it, mate. No worries at all do you know who blue? He is a blow he must be the one that wears the blue mask that swims underwater. I'm not Louise that Louise, the dog bluie. No, that's the dog blue, is he? Your time will come. Your time will go back into out of my kids are white. So out there well, you're well, maybe you should just stop watching kids take off. I find that That's a good detox from the real world sometimes, watching a bit of kids TV and having a good laugh, and think it good. But I do know pji very well indeed. Bill Kirby is our guest on 882 6pr. And the big push this week, and particularly this week, swim safer week 15 through to 19th of November swim it forward. Now, if you'd like to donate any money at all to help those families there after 100K, which will help 500 families and let's assume 500. Families means one child and let's assume that one child out of those 500 families is saved because they get the opportunity to learn to swim one life. And if you've got the chance to give a couple of bucks, I reckon that's absolutely fantastic. Swim it forward well done to you. And well done built for, you know, taking this and running with it and giving us the opportunity to talk to you. I've got to go back to, what do you remember? What do you remember of that for by 200 freestyle relay, that moment when you realise that you won the gold in Sydney? I mean, of all places to win gold, you did it in Sydney. Bill, what do you remember that moment? Look, to be honest, it's a long time ago that I do recall looking out at 18000 people up in the stands, and can completely being for a moment, Petra, if I'd and then having to go, hang on. I've done this I can do it relax.
