**News**

Parents are being encouraged to enrol their children in swimming lessons ahead of Summer with new research. Finding one in two youngsters is not learning to swim, with many forced out recently by covid restrictions. Around half of all parents are not confident their child could help themselves in a water emergency. We want to get people out there into swimming lessons, because if we don't, we're likely to end up with tragedy. Swim Schools are currently holding special events for swim safer week.
